**A Comprehensive Scheme for Prevention of Trafficking and Rescue,  
Rehabilitation and Re-integration of Victims of Trafficking for Commercial  
Sexual Exploitation**

**BACKGROUND**

1. Trafficking of women and children for commercial sexual exploitation is an organized crime that violates basic human rights. India has emerged as a source, destination and transit for both in-country and cross border trafficking. The problem of trafficking of women and children for commercial sexual exploitation is especially challenging due to its myriad complexities and variation. Poverty, low status of women, lack of a protective environment etc are some of the causes for trafficking.
2. A multi sectoral approach is needed which will undertake preventive measures to arrest trafficking especially in vulnerable areas and sections of population; and to enable rescue, rehabilitation and reintegration of the trafficked victims.
3. Keeping the above issues and gaps in mind the Ministry has formulated a Central Scheme “Comprehensive Scheme for Prevention of Trafficking for Rescue, Rehabilitation and Re-Integration of Victims of Trafficking for Commercial Sexual Exploitation—Ujjawala”. The new scheme has been conceived primarily for the purpose of preventing trafficking on the one hand and rescue and rehabilitation of victims on the other.
